## Family PRIDE

This past month, Midtown hosted an “All About Me” workshop where kids drew self-portraits and their moms created vision boards for 2024. Families also enjoyed a safety-themed Magic Show playgroup hosted in January. A special congrats goes to Ms. Teona who is now a Certified Doula and will focus on health initiatives for PRIDE.

## Afterschool

Afterschool is back in session! Since returning from the holiday break, our students have gotten back into the swing of school with our one-on-one tutoring and the IXL online learning program. In addition, they enjoyed Mindful Monday yoga sessions and Kids in the Kitchen classes. We’re also busy preparing activities for Black History Month this February.

## Senior Programming

The Midtown Mamas are enjoying their time bonding over weekly lunches and taking part in health workshops led by volunteer nurse Linda York. The Men’s Club, which is currently looking for new members, recently went on field trips to the St. Louis Central Library and St. Louis Science Center.

Midtown is so excited to be participating in the Target Circle program! You can vote for us through your Target app and help direct Target's giving to benefit our Family PRIDE, Youth Development, and senior programs!
