Thank You for Making Summer Academy Day Camp a Success!

It was another fun summer at Midtown as we celebrated our 34th year of camp. Each session, 40 kids were able to go on field trips at spots like The Magic House and Braeutigam Orchards, spend time at City Greens Community Garden, enjoy 3 swim days, and participate in sports, arts, and STEAM activities!

Thank you to our families, staff, junior leaders, volunteers, and supporters who joined us this year!

Check Out the Peace Parade on the News!

This summer, we were excited to have media from across St. Louis share our campers' messages of peace and hope with the community!

[Click here](#) to watch the Parade on 5 On Your Side (starts at 6:40 mark) and hear from group leader and former camper Ebony Sanders who has been involved with Camp for over 30 years!
